Student Pilot Quota & Global Expansion Plan

Our strategic roadmap outlines annual student quotas and regional expansion, ensuring steady growth and international impact based on the successful Thailand model.

YEAR	COUNTRY	STUDENT QUOTA	REMARKS
2025 (YEAR 1)	Thailand	30 students	Pilot country, first international selection
2026 (YEAR 2)	Thailand	50–100 students	Scaling up domestic quota
2027 (YEAR 3)	Thailand + New Markets	150+ students total	Launching regional expansion (same model)
	China, Singapore, Vietnam, Indonesia	Included in target	Applying Thailand's proven selection model
2028 AND BEYOND	Southeast Asia & Asia-wide	Continuously increasing	Expanding to meet global pilot demand

Let's Build Your Aviation Future Together

First Class International Aviation is here to guide your pathway to becoming a global pilot. Whether you're ready to take off, seeking trusted advice, or exploring partnerships Our team is ready to help you succeed.
